The Secretary, and General Vandenberg, Air Force Chief of Staff, also ordered that Oppenheimer was henceforth to be denied access to Air Force classified documents, and not to be used as a consultant to the Air Force. According to [McC04, page 340], the two-volume report was partially declassified in 1980, and a redacted version was released. For more on this report, see also [McC05] and [Ell86].
